Academic Appointments:

Clinical Professor, Dept of Surgery (Otolaryngology), Mercer University School of Medicine:
2006 - current

Chairman and Professor, Department of Otolaryngology – Head & Neck Surgery, University
of Texas Medical School at Houston, November 2000 to September 2004

Interim Chairman, Department of Otolaryngology – Head & Neck Surgery, University of
Texas Medical School at Houston, October 1999 to November 2000

Professor, Department of Otolaryngology, Surgery and Pediatrics, University of Texas
Medical School at Houston, May 1996 to present

Associate Professor, Departments of Otolaryngology and Pediatrics, University of Florida
School of Medicine (Gainesville), July 1994 to May 1996

Hospital Appointments:

Memorial Health University Medical Center – Savannah, GA (Chair, Otolaryngology Section
2007 -)2009

St. Joseph's/Candler of Savannah, Georgia

Licensure:

2004 - present Licensed Physician, State of Georgia, License 030190

1996 - present Licensed Physician, State of Texas, License K2262

Certifications:

1986 – present American Board of Otolaryngology

1987 – 1991 American Trauma Life Support Certification

1992 - 1994

Advanced Cardiac Life Support

Professional Organizations and Committees:

National:

American Academy of Otolaryngology - Head and Neck Surgery	
Infectious Disease Committee	1990 to 2001
Medical Devices and Drugs Committee (Chairman 1993-95)	1990 to 1998
Consultant, Program Advisory Committee	1994 to 2005
Rhinology and Paranasal Disease Committee	1998 to 2001
Grants and Awards Committee	1999 to 2005
Development Committee	1999 to 2006
Committee on Antibiotic Resistance and Otological Agents	1999 to 2002

American College of Surgeons, 1992 to present

American Medical Association

American Society for Microbiology

Society of University Otolaryngologists—Head and Neck Surgeons, 2003 to present

Honors and Awards:

Selected for inclusion in the "Best Doctors in America 2003-2009" database by Best Doctors, Inc.

Resident Teaching Award, Department of Pediatrics, Mercer University School of Medicine, Savannah, GA 2008.

Resident and Student Teaching Award: Department of Pediatrics, University of Texas Medical School – Houston, 1999, 2002, 2003.

"Savannah's Best Doctors" as published in Savannah magazine, 2008-2009

"Houston's Best Doctors" as published in *Inside Houston*, 2002 - 2005

Distinguished Service Award, American Academy of Otolaryngology-Head and Neck Surgery, 2001

Resident Teaching Award: Department of Pediatrics, Univ. of FL residents' presentation, 1995

Honor Award (for academic contributions): American Academy of Otolaryngology–Head and Neck Surgery, 1994

Michiko Kuno Research Award, "Edema production and albumen degradation by *Vibrio vulnificus*" (1st Prize, Student Research, UNC School of Medicine), 1981

Deborah Leary Award, "Experimental pathogenesis of *Vibrio vulnificus* infections" (1st Prize, Student Research Paper, UNC School of Medicine), 1981

Teaching Assistantship, Department of Biology, University of North Carolina at Charlotte, 1976-77

Full Athletic Grant-In Aid (Basketball), Auburn University, 1970-71

ENT, Family Practice & Pediatric Grand Rounds, 2/yr.
Pediatric, Family Medicine, Emergency Medicine Teaching Conferences, 8/yr
Attending physician and teacher for students rotating on ENT
Head and Neck Exam, Physical Diagnosis Course for 2nd-year medical students, '97 – '04

Past Grant Support:

Alcon Laboratories: A multicenter, randomized, double-blind study to evaluate the safety and efficacy moxifloxacin otic solution vs moxifloxacin-dexamthasone otic solution in acute otitis media with tympanostomy tubes. 2006-2009.

Protocol CAPSS 232: A multicenter, randomized, double-blind study to evaluate the safety and efficacy of Levofloxacin 750 mg for 5 days vs levofloxacin 500 mg for 10 days in the treatment of acute bacterial sinusitis. Sponsored by OrthoMcNeil Pharmaceutical). Sub-investigator. 2003-04.

A prospective, randomized, double-blind, parallel-group, multi-center, placebo-controlled study, comparing the safety and efficacy of 625 mg/day of terbinafine vs placebo for 6 weeks, in the treatment of chronic rhinosinusitis. Sub-investigator. 2002-03.

SmithKline Beecham: National Surveillance Program for resistance in respiratory pathogens.

VLMed Publishing: Grant for editorial support, 1999 to 2001

Bayer Laboratories: Educational Grant 1999

SmithKline Beecham: Augmentin ES for pediatric persistent otitis media, 1999

Smith-Nephews Instrument Company: In vivo and in vitro evaluation of new tympanostomy tube designs

Xomed Company: In vivo and in vitro evaluation of new tympanostomy tube designs

SmithKline Beecham: A new flouroquinolone in acute sinusitis, 1998-99

GlaxoWellcome: Educational Grant, 1998

Daiichi Corp: Unrestricted Grant, 1998

Ortho-McNeil: Educational Grant, 1998 SmithKline Beecham: Amoxicillin-clavulanate in chronic sinusitis, 1998

Xomed Surgical Instruments: "Tympanostomy tube research center": Evaluation of silver oxide coated tubes, 1997

Support of Research Protocol: Efficacy of Ofloxacin Otic Solution and Augmentin Oral Suspension in the Treatment of Acute Purulent Otorrhea: Daiichi Pharmaceutical Corporation, 1996.

Support of Research Protocol: Comparative Trial of cefpodoxime proxetil (5 days) with cefixime (10 days) for acute otitis media in children: Upjohn Corporation, 1994-95.

Support of Researd Protocol: Efficacy of cefprozil, compared to amoxicillin-clavulanate for sinusitis: Bristol-Myers Laboratories, 1992-93.

Basic Science Research Grant: NC Heart Association: Vibrio vulnificus hemocenration and shock. 1975-78.
